- Windows OS (License included)

Certified for  
Microsoft Teams

### Yealink Flagship Smart Video Phone VP59

For personal desk and huddle rooms

#### Key Features:

Fully compatible with Office 365, the VP59 offers a rich and talented ecosystem for your team. The 8-inch adjustable multi-point screen and the Teams-tailored user interface provide a rich visual presentation and easy menu navigation. The built-in Bluetooth 4.2 and dual band Wi-Fi boast unparalleled functionality and expansibility. With HDMI output features, users are able to sync the screen to a TV or monitor. The all-in-one product design integrates a codec, camera and microphone. Setup and deployment is possible with a single line (Internet cable or power cable).

Yealink Noise Proof and Acoustic Shield technologies effectively eliminate background noises. Connect to wireless microphones and cover an open work space (Available in Sept 2019).

The camera can be extended 10 feet (3 meters) by a USB cable and mounted on top of a monitor with a bracket, bringing flexibility to camera location and meeting view.
