

MEETING OWL 3

See and hear it all in 360°

The Meeting Owl 3 is our all-in-one 360° camera, mic, and speaker device. It sits at the center of the table and captures a panoramic view of the room, as well as a face-to-face view of active speakers, to make hybrid meetings engaging and immersive.

REMOTE VIEW

Seamless automatic camera-switching

360-degree view of the room

Auto-focus on active speakers for face-to-face discussion

Outfit any workspace with our endlessly flexible ecosystem

8 omnidirectional volume-equalizing smart mics

360° panoramic fisheye lens

Plug-and-play compatibility with all video conferencing platforms

360° tri-speaker

Option to extend audio range by 8' (2.5m) with add-on **Expansion Mic**

Give everyone a seat at the table

The Meeting Owl leverages the Owl Intelligence System™ to auto-focus on whoever is speaking to capture a face-to-face view of in-room participants alongside a 360° panoramic view of the room.
